

Greece. He becomes specially the God of the Vine. Originally a god of the common folk, despised and unauthorised, he is eventually so strong as to be adopted into the Olympian hierarchy as the "youngest" of the Gods, son of Zeus. His "Olympian" name, so to speak, is Dionysus, but in his worship he is addressed by numbers of names, more or less mystic and secret—Bromios, Bacchios or Baccheus, Lurches, Eleuthereus, Zagreus, Sabazios, &c. Some of these may be the names of old spirits whom he has displaced; some are his own Thracian names. Bromos and Sabaia, for instance, seem to have been Thracian names for two kinds of intoxicating drink. Bacchos means a "wand." Together with his many names, he has many shapes, especially appearing as a Bull and a Serpent.

(/.) This religion, very primitive and barbarous, but possessing a strong hold over the emotions of the common people, was seized upon and transfigured by the great wave of religious reform, known under the name of Orphism, which swept over Greece and South Italy in the sixth century B.C. and influenced the teachings of such philosophers as Pythagoras, Aristaeas, Empedocles, and the many writers on purification and the world after death. Orphism may very possibly represent an ancient Cretan religion in clash or fusion with one from Thrace. At any rate, it was grafted straight upon the Dionysus-worship, and, without rationalising, spiritualised and reformed it. Ascetic, mystical, ritualistic, and emotional, Orphism easily excited both enthusiasm and ridicule. It lent

itself both to inspired saintliness and
to imposture. In
doctrine it laid especial stress
